

MODERN JAPAN HISTORY ASSOCIATION proudly announces a special event

12 QUESTIONS WITH LAURA HEIN

On the eve of the highly anticipated publication of *The New Cambridge History of Japan Volume III: The Modern Japanese Nation and Empire, c. 1868 to the Twenty-First Century*, please join us via Zoom, on Thursday May 4th 2023 at 5pm Pacific/8pm Eastern/9am Japan Standard Time for an interview with Laura Hein, the general editor of the 3-volume series and editor of vol. III.

It has been over thirty years since the first volume set of *The Cambridge History of Japan* first came out. A lot has changed since then in terms of how the history of Japan has been conceptualized and written about. Interviewer Kirsten Ziomek will ask Laura Hein a wide range of questions about the past, present, and future writing of the histories of modern Japan, through the lens of the old and new Cambridge histories. There will be significant time for audience questions and discussion. This event is not to be missed!

Laura Hein is the Harold H. and Virginia Anderson Professor of History at Northwestern University. Register online at <https://mjha.org/>
